### DEPARTMENT SPONSORED EVENTS

During the month of May, Largo Fire participated in fourteen public events that reached approximately 855 people in the areas of fire safety programs, home safety preparedness programs and fall prevention. Nineteen smoke detectors were installed.

Just in time for hurricane season, Largo Fire Rescue has successfully distributed 16,500 "Surviving the Storm" hurricane safety and evacuation educational door hangers to our mobile home park residents. In the event of a significant storm, all mobile home park residents will be required to evacuate. This door hanger educates citizens on where and how to evacuate during a storm, how to register for special needs shelters, and how to sign up for our emergency notification system, Alert Pinellas. This project involved a partnership between all Pinellas County Fire Districts and Pinellas County

Emergency Management, with Largo Fire Rescue housing the most mobile home residents out of all 18 fire districts.
